

Lompoc Cares event to educate, generate awareness for county-wide foster care and adoption services

Children in foster care all have one thing in common: They all need families to love and support them. To raise awareness for the continuing need of resource and adoptive families, non-profit social services agency Pathway Family Services has teamed up with Our County. Our Kids., a program of Santa Barbara Department of Social Services, to host Lompoc Cares, a two-part informational event with Lompoc churches and community agencies servicing children and families in Santa Barbara County.

The family-friendly community event will be held on August 26th at Lompoc Foursquare Church. The event will feature representatives from local foster care advocacy groups Royal Family Kids Camp, Child Hope Services, CALM, Angel Foster Care, Alan Hancock CAFYES Program and Our County. Our Kids. Attendees will also have the opportunity to view the inspirational video "ReMoved" and listen to Resource Families as they share heartwarming stories of healing and success.

A follow-up Lompoc Cares discussion with more Q & A and an explanation on the process of becoming a foster parent will be held on August 31st, also at Lompoc Foursquare Church.

To attend Lompoc Cares, RSVP by emailing Larry Cooney at lcooney@pfsffa.org or by phone at 805-739-1111 ext. 304.
