PROMOTE EVENT

You are invited to attend a community conversation, sponsored by The Westmont Initiative for Public Dialogue, in consultation with Our County Our Kids, led by Dr. Deborah Dunn from Westmont College.

Share your concerns and insights, your voice is critical to this conversation! If we are going to be successful in improving the quality of life of our community's children, the first step is to listen to and learn from each other. The ideas for action that surface in the community discussion will be brought together in a community action planning meeting.

Thank you for participating, please respond: WIPD@Westmont.edu via email.
